Stinger Mexicana, S.A. de C.V. (“Stinger Mexicana”)

STINGER MEXICANA LIMITED WARRANTY

Stinger Mexicana will not be liable for concealed and unusual conditions at the work site, either above or underground, where such conditions were not reasonably discoverable through normal visual inspection, where such conditions were not indicated by Customer, or where Customer has supplied inadequate or incomplete information. In the event such concealed or unusual conditions result in delays and extra expense to Stinger Mexicana, an equitable adjustment shall be made in the contract price and schedule. In the event any fluids containing hazardous substances or materials that could cause damage to the environment are flowed back in relation to the work/services provided by Stinger Mexicana, it is the responsibility of the Customer to ensure that any tool/flow line used for flowing back such fluids leads to a tank or pit provided by the Customer and Stinger Mexicana shall not be liable for any pollution resulting from the lack of any such pit or tank. Customer will at all times have complete care, custody, supervision and control of the work site and the recommendations of Stinger Mexicana are advisory only and without representations as to results. Because of the uncertainty of variable well conditions and the necessity of relying on facts and supporting services furnished by others, Stinger Mexicana does not guarantee the accuracy of any chart interpretation, research analysis, job recommendation or other data furnished by Stinger Mexicana. Customer agrees that any employee(s) furnished by Stinger Mexicana shall not be responsible for any final decision made on any job. Furthermore, Stinger Mexicana reserves the right not to do work if, in its opinion, job conditions render such action inadvisable. Therefore, notwithstanding any other provision herein to the contrary, it is understood by Customer that Stinger Mexicana does not warrant that its Services or Equipment will accomplish any particular result and that the warranties offered by Stinger Mexicana are expressly limited to the following:

Stinger Mexicana warrants that Services and Equipment provided pursuant to this Agreement shall be free from defects in workmanship and materials, comply with the applicable scope of work document, conform to Stinger Mexicana’s published specifications and shall otherwise be supplied in accordance with sound and generally accepted industry practice by competent personnel. This warranty is exclusive of any other liability, particularly in respect of any damage suffered because of defective Equipment or Services. In the event that Stinger Mexicana’s Equipment or Services fail to comply with the foregoing standards, Stinger Mexicana shall (i) perform such corrective Services of the type originally performed, provided that Stinger Mexicana is notified thereof in writing by Customer prior to the departure of Stinger Mexicana from the worksite and/or (ii) repair or replace Equipment as may be necessary to correct any such deficiencies provided Stinger Mexicana is notified in writing within forty-eight (48) hours of the discovery of such deficiency. Liability will only be accepted if the Equipment was used for the purpose for which it was designed. The warranty expires ninety (90) days from the date of shipment.

Stinger Mexicana shall have no responsibility for the design and/or engineering of the Equipment or Services provided hereunder, even though Stinger Mexicana may have participated in its development, nor for any Customer furnished materials, nor for the labor, freight or travel expenses incurred in replacing or repairing any warranted item. In addition, Stinger Mexicana does not warrant any consumable components. With regard to materials furnished by third-party suppliers, Stinger Mexicana’s liability for materials furnished by its third-party suppliers shall be limited to the assignment of such third-party supplier’s warranty, if any, to Customer.

THE PARTIES AGREE THAT ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY, OF WORKMANLIKE PERFORMANCE AND/OR FOR REDHIBITORY DEFECTS, ARE EXCLUDED.
